

**Now through December 31, 2024 | All Flip & Nest Tables**

**IAN HICKS CEO**

## Prioritizing Affordability

“Over the years, price increases have pushed up the prices of our flip-top category. I’ve always been committed to keeping costs low for the benefit of our customers and dealers. Post-COVID, we’re lowering prices to normal, ensuring better deals and margins that help you close more deals.

As always, we greatly appreciate your continued support, loyalty, and commitment to our mission.”
